

Mariah Kachulis

2010 Master of Ceremonies

The **SNARSCA 2010 Master of Ceremonies** is a musician, DJ, Interactive MC, Games and Team Building specialist. Her company, **Sound Occasions**, has performed for literally hundreds of events around Las Vegas and the world.

Sound Occasions uses a two person team approach to keep things moving without feeling rushed. Mariah will serve as a host and will focus on the SNARSCA party activities, speakers and timing. The music and “feel” of the Christmas Party will be orchestrated by her support staff.

Sound Occasions will keep volume levels consistent with the event (not too loud), not use explicit lyrics in it song playlist, will feature state of the art sound equipment, and have properly attired entertainers. Sound Occasions song list is over 50,000 tunes.

Help us Help Mariah! Let’s help Mariah make the evening a little bit crazier. Tell us your “colorful” events, stories or whatever that have happened to you or your business that you can tell in public. Mariah doesn’t speak air conditioning but would like to know. This might help Mariah work something of our group in her monologue. Let a SNARSCA board member know today!

Sound Occasions has produced events for Absolut Vodka, Basset Furniture, Cisco Systems, Creative Kids, Daimler Chrysler, Dunn & Bradstreet, The Gap, General Electric, Harley Davidson, Hitachi, **IAPMO**, IBM, Jack In the Box, Joe Boxer, Kentucky Fried Chicken, Lexus, Lions Gate Films, Marriott Properties, McDonalds, Met Life, MGM Mirage Properties, Microsoft, Motorola, Nextel, Nissan Motors, Ocean Spray, Pan American Life, Prudential, Ritz Carlton Properties, **SNARSCA**, Station Properties, Sun Microsystems, Sylvan Learning Centers, Thrifty Rents, Time Warner, Vacations.com, View Sonic, Wells Fargo, Wynn Properties, Yamaha, more.
