National IAPMO - Membership Campaign!

If you are not a national IAPMO member, you are missing a lot of important code information, new product standards, and safety and health programs.

Ask Tom Gugino, Jordan Krahenbuhl, Allen Becker, Dave Troup, Tom Jones or Bill Laub what membership means to you here in southern Nevada. Another reason to sign-up for national membership is that your chapter earns points for each new member we sign-up!

Our chapter is in 2nd place nationally for signing up local members in National IAPMO! *Help us* take the first place spot by using this internet new member sign-up form - click here IAPMO National Membership.

EduCode Home Run!

The IAPMO chapter's track at EduCode was a grand slam winner. The chapters' nine classes featuring Tye Halverson's "2009 UMC Duct Systems and Installation Requirements" attracted a total of 246 students over the week.

Our largest class was 40 students in the "2009 UMC & UPC Combustion Air and Venting" class, Tye's class had 26 students, and our lowest student class had 15 students in the "Listings and Testing Requirements under the 2009 UMC and UPC." Finally, our two "green" classes did well with 21 and 26 students.

National IAPMO sent **Sol Alba, Alan Wald, Dwight Perkins** and **Duane Huisken** to help the chapter. Thank you. Plus national was a sponsor of the Tuesday night party. National also "loaned" EduCode the IAPMO book store. What a week!
