

Free Pictures with the Chevy

Sit behind the wheel of a 1950's pink convertible, with a friend, put on a fresh tee-shirt (or blouse), find the old sunglasses and roll-up your shirt sleeves with a box of Marlboro cigarettes in the sleeve.

You are ready to go.

Or, why not bring a suitable prop for your picture? Sunglasses? Cigarettes? Gel? 1950 "do-top" or whatever.

We will use a cardboard prop similar to the one pictured below.

Our volunteer team of crack photographers led by **Amber Powell** will make any hipster, cool daddy and poodle skirt wearing gal look good!

Pictures will be available on the chapter website
(and not the party) the next week.
