

# **SNARSCA Party Guessing Games**

*If your guess comes closest to the number of items in each game -  
you get the game and the contents in the jar, cup or glass!  
Lots of luck!*

## **#1. The Champagne Cup**

**Mystery Guessing Game**

Our special Champagne Cup is nearly 24-inches tall and 14-inches wide and filled with an enumerable number of Christmas ornaments. Guess the number of ornaments and you get all the ornaments and the BIG cup. This is our BIG “no calorie” game!

## **#2. Bottle O' Scotch**

**Mystery Guessing Game**

You guessed it; our bottle of scotch is a bottle of “butter” scotch candies stuffed into a curvaceous bottle. Guess the number of candy pieces and keep the bottle and butterscotch candies and all those butterscotch calories.

## **#3. Kitchen Sink**

**Mystery Guessing Game**

Why do we call it the “Kitchen Sink?” With all the candies and holiday ornaments stuffed into this 23” high, 9” diameter jar it has to be the kitchen sink. Lots of luck in guessing this number! This is a dentist’s delight.
