

# Hit the Green for Cash

Get A Chance To Split A Cash Pot!

**On a designated par 3 you can buy a \$10.00 chance** that you can hit your ball onto the green on your first shot.

**If you don't hit the green on your 1<sup>st</sup> try buy another ticket** for another chance. You can only have two chances (maximum) to win.

**If you land anywhere on the green you win a ticket.** The ticket enters you into a cash drawing. One lucky ticket will be drawn during our Chilly Willy Lunch.

**The winner will get 50% of the cash** (the other 50% of the pot goes to the Chilly Willy Fund Raiser.) **If everyone participates you have a pot equal to \$1,200 or a \$600/\$600.**

**The Chilly Willy Girls will be there to help you.**

Its fun, it's easy and you split the cash!
