

# Mariah Kachulis

## ***2011 Master of Ceremonies***

The **SNARSCA Master of Ceremonies, Mariah Kachulis**, is back for a return engagement and second year at the SNARSCA Christmas Party. You might remember last year as Mariah broke a “tie” with the NATE Trivia game, had people participate in the “hulu hoop” game, got the gang to dance in a line dance, led the centerpiece give away and ran the Party raffle. **She is back!**

Mariah is a musician, DJ, Interactive MC, Games and Team Building specialist and realtor. Her company, **Sound Occasions**, has performed for literally hundreds of events around Las Vegas and the world.

**Sound Occasions** uses a two person team approach to keep things moving without feeling rushed. Mariah will serve as a host and will focus on the SNARSCA party activities, speakers and timing. The music and “feel” of the Christmas Party will be orchestrated by her support staff. Sound Occasions song list is over 50,000 tunes so if you would like to suggest an idea. Ask.

**Help us Help Mariah!** Let’s help Mariah make the evening a little bit crazier. Tell us your “colorful” events, stories or whatever that have happened to you or your business that you can tell in public. This might help Mariah work something of our group in her monologue.

**Sound Occasions** has produced events for every Dennis Soukup family wedding, IAPMO, RSES, Sunrise Refrigeration and Absolut Vodka, Basset Furniture, Cisco Systems, Creative Kids, Daimler Chrysler, Dunn & Bradstreet, The Gap, General Electric, Harley Davidson, Hitachi IBM, Jack In the Box, Joe Boxer, Kentucky Fried Chicken, Lexus, Lions Gate Films, Marriott Properties, McDonalds, Met Life, MGM Mirage Properties, Microsoft, Motorola, Nextel, Nissan Motors, Ocean Spray, Pan American Life, Prudential, Ritz Carlton Properties, **SNARSCA**, Station Properties, Sun Microsystems, Sylvan Learning Centers, Thrifty Rents, Time Warner, Vacations.com, View Sonic, Wells Fargo, Wynn Properties, Yamaha, more.
