## 2012 Master of Ceremonies

The chapter Master of Ceremonies, Mariah Kachulis, is back for her 15<sup>th</sup> (or more) returning engagement to the chapter installation of officer's party. (Do you remember when the IAPMO chapter parties were held at the Union Plaza? She was there!) You might remember last year as Mariah had people participate in the "hula hoop" game, got the gang to dance in a line dance, more.

**You might not know** that Mariah is a musician, DJ, Interactive MC, Games and Team Building specialist and realtor. Her company, **Sound Occasions**, has performed for literally hundreds of events around Las Vegas and the world. Many times **Mariah and "G"** (her husband and sound man) can be found at the First Friday Festival in downtown Las Vegas and at times been in charge of the main stage for First Friday.

**Sound Occasions** uses a two person team approach to keep things moving without feeling rushed. Mariah will serve as a host and will focus on the chapter party activities, speakers and timing. The music and "feel" of the Party will be orchestrated by her support staff and husband "G".

**Sound Occasions** has produced events for IAPMO, PHCC of Nevada, RSES, SNARSCA, Sunrise Refrigeration, Dennis Soukup, Nick Meeter, Absolut Vodka, Bassett Furniture, Cisco Systems, Creative Kids, Daimler Chrysler, Dunn & Bradstreet, The Gap, General Electric, Harley Davidson, Hitachi IBM, Jack In the Box, Joe Boxer, Kentucky Fried Chicken, Lexus, Lions Gate Films, Marriott Properties, McDonalds, Met Life, MGM Mirage Properties, Microsoft, Motorola, Nextel, Nissan Motors, Ocean Spray, Pan American Life, Prudential, Ritz Carlton Properties, Station Properties, Sun Microsystems, Sylvan Learning Centers, Thrifty Rents, Time Warner, Vacations.com, View Sonic, Wells Fargo, Wynn Properties, Yamaha, more.
